A NOTE FROM THE COMMANDER

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 99TH AIR BASE WING (ACC)
NELLIS AIR FORCE BASE NEVADA

MEMORANDUM FOR NELLIS INN LODGING GUESTS

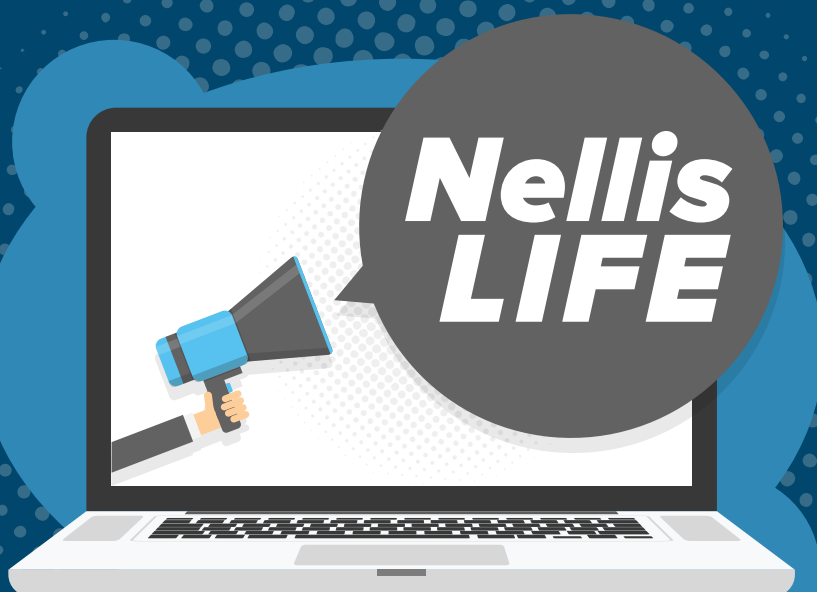

FROM: 99 ABW/CC

SUBJECT: Welcome Letter

1. Welcome to Nellis Air Force Base and the pride of Las Vegas! Nellis boasts being one of the largest single employers in Southern Nevada with an annual economic impact of \$5.3B. Home to the United States Air Force Warfare Center, Nellis has long been the heart and soul of advanced air combat aviation training. In fact, Nellis, Creech and the Nevada Test and Training Range, have played an important role in Southern Nevada since the early 1940s, and 2011 marked the 70th anniversary of Air Power in Southern Nevada.
2. Nellis' primary missions are: Operational Testing of our most advanced aircraft and weapons systems, Tactics Development for warfighters around the globe, and Advanced Training to fly, fight and win utilizing the 2.9 million-acre Nevada Test and Training Range. While Nellis has long been the United States Air Force's leader in combat aircrew training, Creech Air Force Base has become pivotal to our nation's global operations. Operating Predator and Reaper Remotely Piloted Aircraft (RPA), Creech has become a key resource continuously tasked by our nation's leadership. From extensive combat operations to quick-reaction humanitarian missions, the latest satellite technology allows Creech Airmen to fly RPAs locally and around the globe supporting America's objectives.
3. Our Lodging Guide provides valuable information about Nellis Air Force Base and local Las Vegas attractions. Whether your stay is for business or pleasure, we invite you to take advantage of the many services, activities, and facilities offered on base. Should you need any assistance, please do not hesitate to call the lodging front desk or your local point of contact.
4. On behalf of the 12,000 Airmen at Nellis Air Force Base, Creech Air Force Base and the Nevada Test and Training Range, Welcome to Nellis. We look forward to exceeding your expectations.

CAVAN K. CRADDOCK
Colonel, USAF
