EQUIPMENT RENTAL POLICIES

- Anyone eligible to use base facilities is authorized to use equipment rental. Reservations are encouraged for all items and must be paid for upon reservation.
- Active duty personnel may reserve items up to 30 days in advance; all other patrons may reserve items up to 15 days in advance.
- All cancellations must be made 48 hours prior to reservation date to receive a full refund. Any cancellations made after the 48 hours forfeit a refund. Items not returned by their designated return date will incur late charges equal to the daily rental rate until returned.
- Any resultant damage, other than fair wear and tear, is the responsibility of the user. Fair market value for repair or replacement will be charged for all damaged items. Please return items clean to avoid a cleaning fee equal to the price of daily rental for most items.
- Reserving a travel trailer? All travel trailers are limited to a 650 mile towing radius within the (3) adjoining states of California, Arizona and Utah. All towing vehicles must have the proper electrical brake controller hook-up prior to reserving any travel trailers. No refunds will be given on reservation date for vehicles brought without the proper hook-up capability.
- Are you towing? Check with us to make sure you have the proper hook up. You must provide electrical hook up for your vehicle and proper towing ball for towing capability. Most towables use a standard 2" ball hitch; however, certain rental items require a 2 5/16" ball hitch.
- Absolutely no smoking and/or pets are permitted in any of our fishing boats, pontoon boats or travel trailers.
